## Canadian Association of Moldmakers (Camm)

### Mold Maker Spotlight of the Year Award

#### Nomination Package

##### Introduction

The Canadian Association of Moldmakers (Camm) is proud to introduce *the Mold Maker Spotlight of the Year Award*, an annual recognition honoring an outstanding mold shop who has demonstrated excellence, leadership, and innovation in the industry. This prestigious award will be presented at the Camm Annual General Meeting (AGM) to celebrate the achievements of Canadian companies shaping the future of mold making in Canada.

We invite nominations from industry professionals, employees, apprentices, customers, vendors, and colleagues who have witnessed exemplary contributions to the field.

##### Nomination Criteria

Nominees for the Mold Maker Spotlight of the Year Award will be evaluated based on the following criteria:

**Creativity & Innovation** – Demonstrates original thinking and problem-solving in mold design and manufacturing.

**Research & Development** – Engages in research initiatives, advancements in mold making technologies, and/or process improvements.

**Training & Apprenticeship Support** – Actively mentors apprentices, fosters skill development, and/or contributes to workforce training.

**Industry Leadership & Advocacy** – Promotes the growth of the mold making sector through advocacy, education, and/or collaboration.

**Quality & Craftsmanship** – Consistently delivers high-quality work with attention to precision and detail.

**Commitment to Safety** – Upholds and promotes workplace safety standards and best practices.

## **Eligibility**

The nominee must be a practicing mold maker in Canada.

Nominees must be affiliated with a company or institution in the Canadian mold making industry.

Self-nominations are permitted with supporting references.

Nominees can be companies of any size. We encourage nominations for shops of all sizes.

Nominees must be members/participants in CAMM.

## **Nomination Process**
